B. D. RAGHAVENDRA RAO,
District Medical Officer.

ENGINEERING DEPARTMENT.

OFFICE OF THE CHIEF ENGINEER.

Notice dated 6th April 1918.

The Chief Engineer of Mysore, while in Bangalore and not specially engaged, will be glad to hear petitioners on every Thursday, if it is not a Gazetted holiday, between 12 noon and 3 P.M.

2. Government officers and other gentlemen having business may call at the Chief Engineer's Office between 3 and 5 P.M., the same day.

3. During the absence of the Chief Engineer on tour from headquarters, or while he is otherwise engaged, the Deputy Chief Engineer will receive visitors and attend to them.

S. CADAMBI,
Chief Engineer of Mysore.

WATER-SUPPLY DIVISION.

Abstract Notification.

The attention of the public is invited to the "Notice" dated the 16th September 1918, calling for tenders for the supply of Mill hydrants and road boxes required for Mysore Water Works, until the 17th October 1918, published on page 857, Part IV of the *Mysore Gazette*, dated 26th September 1918.

Abstract Notification.

The attention of the public is drawn to the notice appearing on page 885, Part IV of the *Mysore Gazette*, dated the 3rd October 1918, calling for tenders for the supply of certain C. I. collars of sizes up to the 21st October 1918.

S. SRINIVASA AIYAR,
Executive Engineer.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Dated 20th September 1918.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer to the Government of Mysore up to 31st October 1918, for constructing an Upper Storey to the Electric Laboratory at Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1919.

2. The plans, detailed estimate and conditions may be seen at the Chief Electrical Engineer's Office at Bangalore between the hours of 11 A.M. and 4 P.M. on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rupees two hundred in cash or Government Promissory Notes as earnest money, and be superscribed "Tender for constructing an Upper Storey to the Electric Laboratory," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Abstract estimate of quantities for constructing an Upper Storey to Electrical Laboratory, Bangalore.
